PARKLAND FUN BALL & SOCCER LEAGUE

TO ALL COACHES, PLAYERS & SPECTATORS

As our league grows and competition increases it is important that we all remember that this is a FUN Ball League.

The objective of our league is fun and recreation. There are no million-dollar contracts, people still have to get up and go work the next day, and the rules and regulations of our league have been instituted for everyone's safety and well being.

PLEASE KEEP YOUR COOL!! Accept the probability that players, coaches and umpires will make mistakes, and of the two participating teams, odds are one team will lose. If you feel that an injustice has been done, calmly request a time-out and discuss the matter in question with the umpire and the opposing coach. Accept the umpire's decision as final and that sometimes you must agree to disagree. Complaint/incident forms are available in the schedules if teams feel further action is necessary, forms should be filled out completely and sent to the league office. (Address below)

It is each team's coach or contact's responsibility to be sure to inform their players of the league rules and regulations at the start of the season, and to see that their team behaves accordingly.

We must all remember that we are examples to the fans and youngsters in the stands. Bad tempers, foul language, and intoxicated players are not how we want our league perceived. It is our responsibility as the adult league to show, by example, that our league is fun and that good sportsmanship is important at all times, in any division.

LEAGUE OBJECTIVE: FUN BALL

1. To provide organized participation.
2. To instill rules and regulations as instituted and voted upon by the general members and communities.
3. To coordinate scheduling of games for all divisions.

 - OR

SUMMARY

Coaches and spectators, **PLEASE KEEP YOUR COOL.** This participation is for fun and is not a highly competitive league. It is our intention to let the children have fun, and to help them learn the basic rules of the game, and to develop good sportsmanship. If you feel an injustice has been done, calmly request a time-out and discuss the matter in question with the Umpire and the opposition coach. Accept the Umpire's decision as final. Do not take out your frustrations on the children, umpires or coaches. We will not, nor is it the intention to achieve perfection in play by the children or perfection in umpiring by our "Volunteers", as in all probability, the coaches will not achieve the perfection of a "CASEY STENGEL".

Let's accept the probability that mistakes will be made by the children, umpires and coaches, and let's accept the fact that one of the two participating teams will lose the game. By these acceptances and by showing "SPORTSMANSHIP" we can all have fun, and the biggest winners will be the children.
